- Larry Ventress (30)

April:

- Wayne Damron (12)
- Pangle Stewart (14)

New District 12S

Lion Sam Muse was elected District Governor for Lion year 2007-2008; becoming only the third member from Fayetteville to fill this position. Previously, Lion Pangle Stewart (1968-1969) and Lion Larry Robertson (1988-1989) had served as District Governor. On February 17, 2007, at Manchester-Coffee County Conference Center, Lion Muse was chosen District Governor and will be installed at the International Convention in July at Chicago.

Lion Muse became a member in September 1988 and has been very active during his years within the organization.

His work with the Leo Clubs in our schools is known throughout the District. His dedication to the Lions Club is indisputable and I am certain he will serve the district well. Lion Sam- we wish you the best.

New Service Project

At the March 6 meeting, we heard a program by Clay Higgins on his upcoming Mountain Bike Race. He has asked us to help on the occasion by assisting in parking cars. The event will be held April 28 from 8:00 A.M. to 8:00 P.M., just off the Shelbyville Highway north of Copperweld. The decision was made to provide our services on this day. Further information will be forthcoming.

Drug Essay Winner

Brittany Yancey from Riverside Christian Academy took second place in the District Drug Essay Contest. She received a savings bond and her picture was recently in the Elk Valley Time.

60 Years of Lions in Fayetteville

In April 2007, the Fayetteville Lions Club celebrates 60 years of service to this community. Throughout these years many have worn the Lions Vest working to Prevent Blindness through many projects. The dedication of 60 years by those who are no longer with us should inspire us to serve. "We Serve" is our motto.
