New Lion Mark Kelso

Mark Kelso was raised in Fayetteville and attended college in Cleveland and Chattanooga, completing a degree and residency in Respiratory Care. He worked at Huntsville Hospital as Assistant Director of the Cardio-Pulmonary Department, also earning a degree in Health Care Management from Athens State. He retired from Huntsville Hospital after 21 years to come back to work part time at Lincoln Medical Center and obtain a second a second degree in Computer Science. He worked in the computer industry for seven years. He is currently working full time at Lincoln Medical Center, back in Respiratory Care.

Mark met his wife Pat at Huntsville Hospital 28 years ago. Mark's daughter,

Amber, has graduated from MTSU with a degree in Graphic Design and continues to live in Murfreesboro. Amber's artistic talent (not his own, he emphasizes) sparked Mark's interest and involvement in the Fayetteville-Lincoln County Arts Center, Inc. which is an umbrella organization for all non-profit art organizations in Lincoln County. Mark is entering his second year as President of the Arts Center.

New Lion Wilma Muse

Wilma Muse, raised in Columbia, Tennessee, earned a BS degree from Peabody College (not a part of Vandy at that time) and Masters of Education from MTSU. Her career in education began and remains with the Lincoln County Department of Education beginning as an Algebra and General Math teacher at Central High School in Fayetteville, moving to Lincoln County High School for its opening year as a Guidance Counselor and then moving into administration as an Assistant Principal.

Wilma met Sam while she was attending Peabody through mutual friends from Fayetteville. On July 16, 2007, they celebrated their 40th wedding anniversary. Wilma and Sam have one daughter, Lynn Muse Chappin who lives in Murfreesboro, TN, with her husband Bob and our two

WONDERFUL grandchildren, Sam (3 years) and Kate (18 months). Lynn and Bob each have degrees from MTSU. Lynn is employed with Centerstone in Human Resources and Bob works in the landscaping business. In addition to her family, Wilma enjoys cross-stitching, making quilt tops, being a member and officer of the Lincoln County Piecemakers Quilt Guild, reading, and traveling with Sam to various Lions Club events.
